AACN recognizes that its State Grassroots Liaisons (SGLs) are essential in the organization's ability to advance AACN's Federal Policy Agenda. These member Deans/Directors/Chairs, who have committed to volunteering their time as an SGL, understand the importance of strengthening relationships with Congressional offices and amplifying AACN's unified fostering collaboration. In addition, SGLs serve as expert resources to colleagues in their state and help inform Government Affairs (GA) staff about state-level policy issues.
