### **Show Cause Directive Issued**

At its meeting on July 8, 2026, the CCNE Board of Commissioners directed the following nursing programs to “show cause” as to why adverse action should not be taken against the programs. Importantly, the issuance of a show cause directive is not an adverse action, but a statement of serious concern by the Board. In accordance with the Code of Federal Regulations, §602.26(b), CCNE is required to notify various entities of these actions. These programs remain accredited by CCNE.
