

Show Cause Directive Issued

At its meeting on May 20, 2022, the CCNE Board of Commissioners directed the following program to “show cause” as to why accreditation should not be withdrawn. Importantly, the issuance of a show cause directive is not an adverse action, but a statement of serious concern by the Board. In accordance with the Code of Federal Regulations, §602.26(b), CCNE is required to notify various entities of this action.
