Disclosure

2

The Collaboration

- Academic Medical Center
 - More than 10,000 employees
 - 7 health science schools
 - More than 3000 students
- School of Nursing
 - DNP Program
 - Mississippi Centre of Evidence Based Practice: A JBI Centre of Excellence
- Hospital
 - Office of Nursing Quality, Development and Professional Practice

3

Background

Nursing holds a vital role in collaborative decision making for quality improvement. In an effort to improve quality measures, a need was identified to educate the nursing staff on evidence based practice concepts.

4

Goal of the Collaboration

To provide guidance and resources for bedside nurses to implement EBP at the point of care.

Methods

- Focus group
- EBP workshops for hospital educators
- The CLUB (Clinical Leaders Using Best Practice)

Focus Group

- Directors, Managers, Nurse Practitioners, DNP graduates
- JBI Clinical Partnership
 - Collaboration
 - Purpose
 - Goals
- Deliverables
 - EBP Workshops
 - The CLUB

7

EBP Workshops

- Hospital Educators
 - Unit/area coverage
 - Regular meeting dates/times
- Four Initial Workshops
 - What is EBP?
 - How to develop a clinical question
 - How to search (library resources)
 - EBP resources

8

Clinical Leaders Using Best-practices
The CLUB is a forum to review and discuss the most current evidence-based practices in order to provide high quality care to our patients.

S — CLINICAL PROBLEM/QUESTION

B — CURRENT STATE THAT NEEDS CHANGE

A — JCI/CMS STANDARDS, JN EVIDENCE, BEST PRACTICES, POLICY/GUIDELINE

R — PROPOSED CHANGE TO CURRENT STATE: CHANGES TO: POLICES/GUIDELINES, EPIC, COMPETENCIES, & FOR ORIENTATION, EDUCATION REQUIREMENTS, COMMUNICATION/DETERMINATION

Implementation of a Failing Protocol for Patients Prior to General Anesthesia

PDP Points

Lunch Provided to first 25 attendees

SPONSORED BY:
Nursing Quality, Development & Professional Practice

Date: August 13, 2019
Time: 11AM-1:30PM
Location: 3A

9

Results and Conclusions

- Increased awareness and interest in EBP
 - EBP is a priority for quality of care
- Attendance at CLUB meetings
- Lessons learned
- Replicable process

10

What's Next

- Meet monthly
 - More workshops?
 - Changes to the CLUB?
 - Evaluations
 - Remote attendance
 - Another focus group meeting?
 - CEs
- Evidence Implementation Program
 - 3 trainers from the MCEBP
 - Grant funding
 - Clinical leaders (bedside staff)
 - EBP champions
 - Publication opportunities
