

Feasibility, Sustainability, and the PhD Pipeline

JOAN VITELLO, PHD, RN
UNIVERSITY OF MASSACHUSETTS MEDICAL SCHOOL, WORCESTER, MA

CAROLYN HART, PHD, RN, CNE
BARRY UNIVERSITY COLLEGE OF NURSING AND HEALTH SCIENCES, MIAMI, FL

Objectives

- Discuss how their institutional characteristics may affect PhD programming and potential institutional agreements;
- Articulate approaches to student-centric programming;
- Implement strategies to meet institutional needs for PhD -prepared faculty and/or increase success of existing programs.

Background

Diversity

Programs
Institutions

Cohort Size

Recruitment
Retention

Key Points

1. Institutional Characteristics

2. PhD Programming

3. Role of Institutional Agreements

4. Student-Centric Programming

5. Future Needs in Education

Strategies

Q & A
