

Cost of Education: Baccalaureate Programs

Q19.1. Cost of Education

The following section relates to the Generic Baccalaureate program you indicated having at your institution earlier in this survey.

This section does NOT refer to RN-BSN or Accelerated Baccalaureate programs.

Q19.2. Do you post cost information for this program on your institutional website?

- Yes
- No

Q19.3. The following questions ask you to report credit information associated with your Generic Baccalaureate program. Please enter whole numbers only.

For the total credit hours, report the total number of credits needed to complete a full-time undergraduate nursing degree (e.g., 120 credits). Include any general education credits or prerequisites.

Include the annualized credit hours. For example, your response should reflect values adjusted to indicate quarter credit hours as full credit hours. Do not include summer or winter credit hours.

What is the number of credit hours required for completion of this degree program?

What is the cost per credit hour (unit) for this program?

Q19.4. The following questions ask you to report cost information associated with your Generic Baccalaureate program.

Please read and follow the below guidelines:

- Please enter whole numbers only.
- For the total tuition cost, report the total tuition cost for all years of the program, including years spent completing general education or prerequisite courses (typically 4 years total). The number of years of the program should be defined by the average length of the program for full-time students. If you report tuition on an annual basis, multiply the annual tuition by the number of years required to complete the degree. Do not include costs for room and board, fees or other non-tuition expenses in the total tuition cost.
- For the sum of all nursing program specific fees, please report the total amount of fees for all years of the program.

What is the total tuition cost for this program? (Do not include fees, room & board, books, or any other variable costs)

What is the total sum of all nursing program specific fees (e.g. lab fees, course specific fees, insurance, etc.)?

Is there a differential total tuition cost for out-of-state students? If yes, enter that cost difference (the additional amount out-of-state students pay). If no, enter 0. (For example, if in-state students pay \$120,000 for a 4-year degree, and out-of-state students pay \$250,000 for a 4-year degree, the differential tuition is \$130,000)

Q19.5. The following questions ask you to report federal loan assistance information associated with your Generic Baccalaureate program.

Please report percentages as whole numbers, and not decimals. Do not include the percent symbol. For example, if 75% of students qualify for federal loan assistance, please enter 75.

What percentage of students in this program qualify for federal loan assistance?

What percentage of students in this program pay for part or all of their program costs with federal loan assistance?

Q19.6. Please share a link to the site on which this information is posted.

Q19.7. When was the cost information on this site last updated? Please indicate a year.
