ELNEC-PPC

This two-day course is designed to prepare team members to provide quality care for infants, children and adolescents with advanced illness and at the end of life.

Course Topics

- Intro to Pediatric Palliative Care
- Perinatal & Neonatal Palliative Care
- Communication
- Ethical & Legal Issues
- Cultural/Spiritual Considerations
- Pain Management
- Symptom Management
- Care at the Time of Death
- Loss, Grief & Bereavement

Outcomes/Learning Objectives

At the end of this course, participants will be able to describe the role of the pediatric/neonatal team member in:

- Providing palliative care to neonates, children and adolescents
- Utilizing the principles of pain and symptom management for patients with advanced disease
- Addressing ethical issues that occur at the end of life
- Using communication techniques that improve end-of-life care
- Providing care at the time of death
- Facilitating healthy adaptation to loss for patients, families and health care providers
- **12 nursing & social work contact hours**

Attendees must attend the entire program and submit a completed evaluation in order to receive contact hours.

University of Michigan Health-Sparrow is an approved provider of continuing nursing education by the Wisconsin Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

This course is also approved by the Michigan Social Work Continuing Education Collaborative.
