Advancing Palliative Care

ABOUT ELNEC

The End-of-Life Nursing Education Course (ELNEC) is a national and international education initiative to improve palliative care. The project provides training in palliative care with essential information to nursing students and practicing nurses, including undergraduate and graduate nursing faculty, continuing education providers, staff development educators, specialty nurses in perinatal, pediatrics, oncology, PICU, CVICU, NICU, and advanced practice nurses. ELNEC also welcomes other healthcare professionals.

Objectives

This course will enable the learner to:

- Describe the role of the nurse in providing quality pediatric palliative care.
- Identify the need for collaboration with the interdisciplinary team members to provide optimal palliative care.
- Discuss aspects of assessing physiological, psychological, spiritual, and social domains of quality of life for patients and families facing a life-threatening illness or event.

Who Should Attend

Interdisciplinary colleagues from all settings who care for Perinatal, Pediatric, Adolescents, Young Adults, and their families.

Hotel Information

For those who need to book a hotel, local hotels to consider include:

- Sheraton Palo Alto
- Park James Hotel
- The Cardinal Hotel
- The Creekside Inn

Course Description

This is a two-day in-person course utilizing Perinatal & Pediatric ELNEC Modules and Materials.

The course will feature interdisciplinary speakers: physicians, nurses, social workers, psychologists, chaplaincy, and advanced practice providers.

Recording and video not available.

COURSE SPONSOR

Stanford Children's Health Auxiliaries and the Division of Quality of Life and Pediatric Palliative Care.

Attribution

The End-of-Life Nursing Education Consortium (ELNEC) Project is a national and international end-of-life/palliative care educational program administered by City of Hope (COH) designed to enhance palliative care in nursing. Materials are copyrighted by City of Hope and the American Association of Colleges of Nursing (AACN) and are used with permission.

Accreditation

In support of improving patient care, Stanford Medicine is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Credit Designation

American Medical Association (AMA)

Stanford Medicine designates this Live Activity for a maximum of 14.00 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Nurses Credentialing Center (ANCC)

Stanford Medicine designates this Live Activity for a maximum of 14.0 ANCC contact hours.

California Board of Registered Nursing (CA BRN)

Stanford Medicine Provider approved by the California Board of Registered Nursing, Provider Number 17874, for 14.0 contact hours.

Accreditation Council of Pharmacy Education (ACPE)

Stanford Medicine designates this knowledge-based activity for a maximum of 14.0 hours. Credit will be provided to NABP CPE Monitor within 60 days after the activity completion. UAN JA0000751-0000-25-020-L08-P

ASWB Approved Continuing Education Credit (ACE) – Social Work Credit

As a Jointly Accredited Organization, Stanford Medicine is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. Organizations, not individual courses, are approved under this program. Regulatory boards are the final authority on courses accepted for continuing education credit. Social workers completing this activity receive 14.0 general continuing education credits.

American Psychological Association (APA)

Continuing Education (CE) credits for psychologists are provided through the co-sponsorship of the American Psychological Association (APA) Office of Continuing Education in Psychology (CEP). The APA CEP Office maintains responsibility for the content of the programs.

Commission on Dietetic Registration (CDR)

Completion of this RD/DTR profession-specific or IPCE activity awards CPEUs (One IPCE credit = One CPEU).

If the activity is dietetics-related but not targeted to RDs or DTRs, CPEUs may be claimed which are commensurate with participation in contact hours (One 60 minute hour = 1CPEU)

RD's and DTRs are to select activity type 102 in their Activity Log. Sphere and Competency selection is at the learner's discretion.

Stanford Health Care Department of Rehabilitation is an approved provider for physical therapy and occupational therapy for courses that meet the requirements set forth by the respective California Boards. This course is approved for 14.0 hour(s) CEU for PT and OT.
