- I. Welcome and introduction
AACN Board Chair Ann Cary & CCNE Board Chair Mary Jane Hanson
- II. Update/highlights from AACN
 - Revision of the AACN Essentials series
 - Update on process and timeline
 - Will there be two final products (an Essentials document for entry and advanced, respectively)?
 - Will nurse educator tracks still be considered direct care?
 - Can any track be offered at the master's or DNP level so long as the program shows that the competencies are attained by students?
- III. Update/highlights from CCNE
 - Update on numbers of CCNE-affiliated programs & program retention
 - Update on development of CCNE accreditation standards for nurse practitioner residency/fellowship programs
- IV. Clinical practice experiences
 - Responsibilities of and expectations for nursing programs
 - Assessment of clinical resources/sites
 - Use of simulation
 - Ways AACN can help promote best practices
- V. Hallmarks/identifiers of program quality & holding programs and constituents accountable
- VI. Other issues
- VII. Adjourn
