

Deborah E. Trautman Future Nurse Leader Scholarship

Commitment Statement

This \$3,500 scholarship is designed to recognize graduate nursing students who aspire to leadership positions in academic nursing. In addition to \$2,000 to cover educational expenses, funded students will participate in a one-on-one leadership development experience with Dr. Trautman at AACN's headquarters in Washington, DC. Up to \$1,500 of the scholarship award will be used to cover travel expenses for the 3-day leadership development program.

I, _____ (applicant name), agree to complete a 3-day leadership development experience with Dr. Deborah Trautman at AACN's headquarters in Washington, DC. I will work directly with AACN staff to tailor this experience to my needs and arrange to complete this program during Summer 2021. Failure to complete this requirement will forfeit my scholarship funding, which must then be returned to the AACN Foundation for Academic Nursing.
