AACN, in collaboration with the Center for Creative Leadership (CCL), has developed a forward-thinking immersion program designed with national leadership competencies based on the latest evidence and the needs of AACN's members. This program was developed for deans new to their role or transitioning into a dean role at a new college or university.

**An Enlightening Year Ahead**

This offering is a 13-month program with four face-to-face meetings and additional virtual coaching sessions. Participants will conduct a leadership development project at their institution and may have the opportunity to present their work at a future AACN conference.
