Greetings, colleagues and friends.

Just like year-end reports, the annual BONUS meeting is coming sooner than you think! Will you be in Scottsdale, Arizona, April 20-22, 2016 for “Charting the Stars in Paradise”? Attendance has increased yearly at this major event, and for good reason. This is an excellent opportunity to do invaluable networking, build professional relationships, and get answers from your peers and industry leaders to your most pressing questions.

Get the details and registration information here. Make sure you use the group code “BON” so you are assured the group rate.

Special Note: In Scottsdale there is also a “Hilton Scottsdale.” Lovely as it is, it is NOT the conference hotel. Please be sure you join us at the Doubletree by Hilton Paradise Valley.

Looking forward to seeing you there.

Sincerely,

Delores Armstrong, Chair

A NOTE FROM JENNIFER AHEARN:

A new meeting app will be implemented at this year’s conference which will make materials available electronically ahead of time. All conference registrants will receive an email with download instructions. Internet bandwidth will be sufficient to support use of the app by conference attendees.

A comprehensive conference schedule, a registration list, and the voting ballot will be printed for the conference. A separate registration list (emails omitted) will be posted to the app along with speakers’ handouts and meeting notes.

BYOD (BRING YOUR OWN DEVICE!)

Posting to social media will be possible during our conference. A big thanks and shout out to Shane Coelho (Wichita State University) and Margaret Hill (The University of Texas at Austin) who will be our two hip and cool social media champions to remind and inspire you to post, tweet, and pin during the conference.

USE THE LISTSERV

BONUS has a listserv to use for email communications to all members. This convenient tool allows you to communicate with everyone without having to create email distribution groups. You can customize your settings to receive individual emails or a daily digest. Remember to look at the “To” field when responding to make sure your email goes only to the intended recipient or to the whole listserv. For listserv questions, please contact Jennifer Ahearn at jahearn@aacn.nche.edu.

NEXT NEWSLETTER AFTER THE CONFERENCE

We will publish a newsletter each quarter. All committee chairs will provide updates. If you have news or information to share, please contact the appropriate committee chair.
