

ATTN: American Association of Colleges of Nursing (AACN) members

On 12 December 2018, the *Journal of Professional Nursing* website will be retired.

AACN members must follow this one-time process to activate their online subscriptions at ScienceDirect, Elsevier's flagship platform for peer-reviewed scholarly literature.

NOTE: you will need the Customer Reference Number from the mailing label on your print subscription to complete online activation.

Step 1: Provide a customer reference number to validate your online subscription

Go to www.sciencedirect.com/science/activate/aacn

Enter your Customer Reference number and click Continue

It contains a text box for the "Customer Reference Number" and a "Continue" button. A small note below the form says "Should you require assistance, please contact [Society Subscription Support](#)".

Step 2: Connect your membership identifier to a personal login

If you have previously registered with Elsevier, enter your username + password to Login

If you are a new user, click [Register Now](#) and complete a brief registration form

There are input fields for "Username:" and "Password:", a "Remember me on this computer" checkbox, and "Login" and "Cancel" buttons. A link for "Forgot your username or password?" is also present.

Once login/registration is complete, you will return to the ScienceDirect homepage and can use the Journal/Book title search box to access your subscription
