# Engage in Robust Discussions Focusing on the Growing Role of CNLs in Healthcare!

The **CNL Summit** provides a national forum for all healthcare and academic audiences currently implementing or interested in exploring Clinical Nurse Leader (CNL) education and practice.

Showcasing the achievements of CNLs in education

and practice, it provides tools to enhance an understanding of the changing healthcare environment and the value added by CNLs. Participants benefit from various networking opportunities, peer-to-peer engagement, and insights to the vast work of CNLs across the healthcare continuum.

The **CNL Summit** is ideal for deans, faculty, CNOs, nurse managers, other health professionals, practicing CNLs, and students!

## Pre-Event Opportunity

The **CNL Research Symposium** is hosted by the Commission on Nurse Certification (CNC) and offered as a pre-conference workshop February 20, 2019. It focuses on the CNLs role in data collection, evaluation for reporting clinical outcomes, and quality improvement.

## Conference Highlights

- **Industry Experts & Leaders**
- **Interactive Learning Formats**
- **Success Stories**
- **Trendsetting Ideas & Strategies**
- **Peer-to-Peer Collaboration & Networking**
- **Robust Discussions**
- **Access to High-Profile Strategic Partners**
