Show Cause Directive Issued

At its meeting on June 7, 2023, the CCNE Board of Commissioners directed the following programs to “show cause” as to why adverse action should not be taken against the program. Importantly, the issuance of a show cause directive is not an adverse action, but a statement of serious concern by the Board. In accordance with the Code of Federal Regulations, §602.26(b), CCNE is required to notify various entities of this action.
