

## Regional Support for Schools of Nursing

### *Regional Chair*

Dr. Toni Glover is a researcher, educator, and geriatric nurse practitioner. She has over 50 peer-reviewed publications in journals such as the Western Journal of Nursing Research, Journal of Nursing Education, American Journal of Hospice and Palliative Medicine, and the Journal of Hospice and Palliative Nursing. Dr. Glover is dedicated to sharing primary palliative care knowledge and skills with nursing students and was recently awarded \$218,373 from the Michigan Health Endowment Fund for the Michigan ELNEC Initiative. The goal of this project is to facilitate nursing students' acquisition of primary palliative care knowledge and skills through collaboration between the Oakland University School of Nursing and Michigan community college nursing programs.
