

Regional Support for Schools of Nursing

Regional Chair

Theresa Jizba, DNP, AGACNP-BC, ACHPN, is a palliative care nurse practitioner, assistant professor at Creighton University and a member of the Nebraska Palliative Care and Quality of Life Advisory Council. At Creighton University, she teaches advanced pathophysiology and courses associated with the Adult-Gerontology Acute Care nurse practitioner program. Dr. Jizba holds concurrent employment as a palliative medicine nurse practitioner at Nebraska Methodist Hospital. Her interests include interprofessional simulation, primary palliative care education, and regional advocacy for palliative care services.
