ABOUT ELNEC

The End-of-Life Nursing Education Consortium (ELNEC) project is a national and international education initiative to improve palliative care, in collaboration with City of Hope in Duarte, CA. and the American Association of Colleges of Nursing (AACN) in Washington, DC. The project provides training in palliative care with essential information to nursing students and practicing nurses, including undergraduate and graduate nursing faculty, continuing education providers, staff development educators, specialty nurses in pediatrics, oncology, critical care, geriatrics, and advanced practice nurses. ELNEC also welcomes other health care professionals.

Want to learn more about ELNEC? Visit www.aacnnursing.org/ELNEC or join our social media.

ELNEC SUMMIT OVERVIEW

The summit offers multiple courses simultaneously. Participants choose one course to attend.

Intended Audience for APRN Adult & APRN Pediatric
Masters, PhD, or DNP prepared APRNs (nurse practitioners, clinical nurse specialists, midwives, and nurse anesthetists).

Intended Audience for Communication, Core, Critical Care, Geriatric, Pediatric
While ELNEC is developed by nurses for nurses, we welcome all nurses, social workers, physicians, chaplains, and volunteers etc., who have an interest in palliative care.
