PACE
UNIVERSITY

College of Health Professions

Pace University's Lienhard School of Nursing (LSN) in the College of Health Professions offers a variety of programs at the undergraduate, graduate, and doctoral levels. LSN programs prepare students for vital, vibrant careers that are both personally and financially rewarding. Our collaborative and innovative programming provides a rich learning environment built around the concepts of primary health care, cultural competency, and evidence-based practice.

[Learn more about Pace University.](#)

Department of Nursing
School of Health Sciences

Our nursing programs position science, healthcare practice, and ethics at the core of the nursing curriculum. Our teaching philosophy is to assist students to develop clinical expertise and critical thinking skills within a Judeo-Christian ethical perspective that will strengthen them for the emotional and moral challenges of this caring profession.
